

## **Michael Guy's 2009 Good Food Awards**

**The annual Michael Guy's Eating Out Good Food Awards have again been announced.**

**The Awards, introduced nearly 20 years ago with the publication of New Zealand's first restaurant guide, "Michael Guy's Eating Out", judge the best restaurants and runners-up in 23 regions throughout New Zealand.**

**"We no longer announce an overall national winner because we believe that there are a number of restaurants that rate as equally the best," said Michael Guy in announcing the winners today. "We still adopt the approach of anonymously assessing restaurants and paying for all our meals, and restaurants don't have to officially enter our awards."**

**The latest awards are included in "The 2009 Café Annual with Michael Guy's Eating Out".**

### **Regional Winners:**

#### **Marlborough**

**Winner: Herzog, Blenheim, 91 Jeffries Rd, 03.572 8770**
