## HANS HERZOG ESTATE WINERY

Established in 1994, Herzog is an artisan family winery acclaimed throughout the world for growing handcrafted wines exclusively from their exceptional 'Grand Cru' vineyard. The unique and diverse Terroir allows Hans to indulge in his passion for many exciting grape varieties. His hands-on approach and almost uneconomical low yields set the bar for his outstanding range of stunning wines rich in varietal character. His winemaking is purely natural, nothing is added or extracted, letting the wines that he worked so hard for in the vineyard speak for themselves.

The Herzog families have grown wine in Switzerland since 1630 and Hans was born on the same land. He has over 40 years' experience as a vigneron, a Bachelor's degree in viticulture and a Master's degree in winemaking. These fundamentals, combined with his great passion for wine, have allowed him to realise his dream of producing some of "The World's Greatest Wines\*". (\* listed in the same named book by Bettane & Desseauve).

Hans creates stunning Pinot Noir (rumoured by top French wine critic Michel Bettane to be the best he tasted in New Zealand), a smooth and opulent Montepulciano, (rated among the top New World wines by UK Decanter Magazine), and his Bordeaux blend 'The Spirit of Marlborough' (declared a cult wine by NZ Wine Critic Bob Campbell MW). He also makes small quantities of highly sought-after Pinot Gris, Viognier and 25 other unique varieties available only at the Estate. UK wine writer Malcolm Gluck wrote that there was 'nobody making better wine in New Zealand than Hans Herzog.'
